Date: 11<sup>th</sup> May, 2009

## Introducing the New Fluke FTP and FTPL with Leads

### Fluke FTP Fused Test Probes and FTPL with Leads:

In response to new ESA guidelines, Fluke introduces test probes with built-in fuses for additional measurement protection. And, if the probe fuse does blow, these fused test probes will still allow the meter to indicate live voltage, helping to prevent a possible misreading of no voltage present. The new modular probes can mount onto any standard modular test leads. Rated to CAT III 1000 V, these probes also have sheathed tips for additional safety.

- Built-in fuses for additional measurement protection
- Probes allow indication of live voltage even with blown fuse
- 2 mm threaded probe tips include removable 4 mm lantern-style spring contacts and removable GS38 insulated IC caps for probing closely spaced leads
- CAT III 1000 V, CAT IV 600 V, 10 A rating
- FTPL Fused Test Probe and Lead Set includes Fluke TL224 test leads

FTP Fused Test Probes

FTP Fused Test Probes and Lead Set

### Features and Benefits:

- Probes allow indication of live voltage even with blown fuse for added security
- Built-in 1000 V 11 A fuses with 20 kA interrupt rating
- 2 mm threaded probe tips include removable 4 mm lantern-style spring contacts and removable GS38 insulated IC caps for probing closely spaced leads
- Operating temperature – 20 °C to 50 °C (-5 °F to 120 °F)
- CAT III 1000 V, CAT IV 600 V, 10 A rating
- FTPL Fused Test Probe and Lead Set includes Fluke TL224 test leads

**Target Customers**

- Electrical Technicians
- Plant maintenance Technicians

**Target Applications**

- Industrial plants, commercial buildings, residential
- Commercial buildings, industrial plants

**Ordering Information:**

Fluke Model	Part #	Height	Width	Depth	Weight	Origin	Australian Recommended Price Excluding GST
FTP	3274829	30.5 cm (12 in)	9.5 cm (3.75 in)	4.4 cm (1.75 in)	0.086 kg (0.19 lb)	US	AUD130.00 ea
FTPL	3460786	30.5 cm (12 in)	9.5 cm (3.75 in)	4.4 cm (1.75 in)	0.17 kg (0.38 lbs)	US	AUD149.00 ea

**Discount Structure:**

Discount Code:: T

**Minimum Order:**

Minimum order quantity is one unit.

**Service Plan:**

Service for the FTP & FTPL will be RBR and Warranty will be 1 year.
